HOMELESS MINISTRY

The Feed the Homeless program has continued as a strong program throughout the past year. We have had to downsize somewhat due to circumstances beyond our control; but we have continued to bring food to Tuam and De George centers, along with food distribution to others that are homeless. Volunteers are scheduled for preparing and distributing the food, with a lengthy volunteer list to go to when a substitute is needed. We distribute food to both places the 1st and 3rd Mondays of every month. Volunteers are in small groups preparing the food; and the preparation of the sandwiches and snacks are done on different days. We have found this to be more efficient than doing everything at one time.

In addition, on May 20 we distributed snacks and water for 335 children and teachers at Walnut Bend Elementary.

We are looking into more opportunities for service, and we are excited at the chance of expanding our program to help feed the hungry.

We have a box set out in the Narthex for white socks. If you feel you want to help in this endeavor, we will distribute them when enough have been collected.

COUNCIL NOTES

The Christ the Servant (CTS) council's most recent meeting was held on Thursday, May 13th. Congregation members are welcome to review the more detailed minutes of each meeting, found in a binder on a table in the narthex. The council's two new at-large members, Karen Welborn and Tina Blockhus, began their council terms at the May meeting.

CTS' insurance provider, Church Mutual, has decided not to renew the church's insurance policy upon expiration. Please note that this decision on the part of Church Mutual was made as an effort to reduce their overall exposure to the Houston region, and not because of any action/non-action on the part of CTS. The council wishes to thank Ken Smith for lending his insurance expertise to identifying a new insurer and negotiating a new policy. A new policy will be in place prior to June 1st, 2021, which means CTS will have no lapse in its insurance coverage.

For those who did not see the e-mail communication from the council president, the CTS congregation voted not to pursue a PPP loan from the U.S. Federal government. Attendance at Sunday services, both in-person and via online streaming, has reached 2019 levels, which represents an improvement from 2020. As mentioned in prior newsletters, the online streaming option will be continued at CTS for the foreseeable future so all can worship comfortably.

Youth and Family Ministry activity included the resumption of confirmation classes, though half the class participated via Zoom. JT expects to complete his CPE shifts at M.D. Anderson by the close of May and will begin his pastoral internship in July. Finally, JT is looking at possible dates for the youth to attend Luther Hill; however, some assistance may be required from the CTS congregation to defray the costs of attending. Please look for future possible communications in this regard.

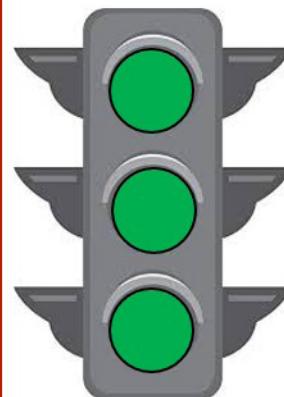

Pastor Jim and Barry Rava will attend the annual synod meeting to be held virtually on May 21st – 22nd. Also, Pastor Jim was approached by the administration at Walnut Bend Elementary School to determine if the CTS congregation would be willing and able to provide the students and teachers with snacks and water during state-mandated testing later this month. The council wishes to acknowledge that Pastor Jim is celebrating 46 years in ministry.

The council discussed the recent CDC-issued guidance regarding the use of masks indoors and outdoors for those who have been vaccinated. In light of the new guidance, vaccinated congregation members worshipping in person are free to choose whether or not they will wear a mask. For unvaccinated members, the council encourages the continued use of masks when choosing to worship in person. The council recognizes there are many variables

involved in individual decisions regarding masks, and therefore respectfully asks all members to respect decisions made by others. Again, online streaming of CTS services will continue to accommodate those unable, for whatever reason, to participate in person.

Prayerfully submitted,
Karen Carter, Council Secretary

YOUTH AND FAMILY NEWS

HAVE YOU SUBSCRIBED?

Why haven't you subscribed to our YouTube Channel?

It's easy! Just click the "Subscribe" button underneath any of our videos on the YouTube site.

It's convenient! You'll be notified by email whenever we go live. Never search for a link again!

It's cheap! So cheap, in fact, that it's ABSOLUTELY FREE.

It helps! We currently have a little over 100 subscribers, but we need more. It's not vanity or ego – the more subscribers we have, the more functionality we will be allowed – which allows us to reach more folks!

Even if you are attending services in-person and don't participate in live streams, we could still use your help getting our subscription numbers up. As the channel grows, you can expect to see more content uploaded – not just streaming worship – and we know you'll want access to that.

THE WORK OF THE PEOPLE

Service is at the heart of who we are at CTS. Recently you may have noticed a concerted effort to invite new volunteers to serve in several areas of our congregational life. Will you consider living our name with passion and purpose by giving your time in one of these two areas:

Nursery Assistant – We are in need of adult volunteers who are willing to assist Sandra, our Nursery Coordinator, on Sunday Mornings from 11a.m. – 12:15 p.m., during our late service. We want to be able to always have safe, available childcare for our members and visitors so that they can worship without anxiety. Our congregation's Safe Haven Guidelines dictate that we always have at least 2 caring adults in a room with children. With the help of 1 person each Sunday, we can accomplish this. Ideally, volunteers for this position have attended our last in-person child safety training class in March of 2019, or completed online Abuse Prevention training course via SafeGatherings.com. The latter is easy, free, and convenient. Ask J.T. how you can do this today!

Nursery Assistant volunteers will find a link on the front page of our website to an online sign-up sheet.

Sound and Video Team – We currently have a small crew of folks who have been trained to run either our sound, or our live stream during Sunday Worship, or both. We'd like to expand that team beyond those few individuals and give more people the opportunity to help broadcast our message to the masses. Don't be intimidated by the technology! It's not as hard as it seems, and we won't set you loose on it until you've been trained and become comfortable. This would be a great opportunity for people of all ages to

serve together. Please contact J.T. to learn more, or to schedule a time for a little bit of training (Sunday mornings are ok!)

RALLY DAY/SUNDAY SCHOOL

Is it too early to talk about Rally Day? I hope not, because it's been more than a year, and I am chomping at the bit! As we anticipate opening things back up, I'd love to announce that Rally Day is scheduled for Sunday, September 19th, 2021. It's time to ramp things up the way we used to! What that means is that Sunday School will start the following week, September 26, 2021 at 9:30 a.m. Mark those calendars, dust off your Bible and your Sunday Shoes – It's time to RALLY!

A CHANGE IS GONNA COME...

It has been my honor and my pleasure to serve you these past 7 years as your Director of Youth and Family Ministry. Has it really been 7 years? It seems like only yesterday I was struggling to learn your names and find my place in your community. Although my role in the community has changed drastically during this past year – as we emerge from the pandemic, it will be necessary for my role to change again. As part of the Seminary journey that CTS has so generously supported and allowed me to go on, I am required to do a year-long pastoral internship. While most people leave their current congregation to do this, I'm blessed to be able to stay and have that experience with the folks I love at Christ The Servant. What that means is that, although you'll continue to see my face around (and probably more frequently!), I'll be taking on some new responsibilities and letting go of some old ones. What exactly those responsibilities will be is still being determined. Whatever the changes are, I hope we can navigate them together in order to make a better pastor out of me, a better community out of CTS, and a better world out of this current one.

Jt Thomas
Director of Youth and Family
