

## **Statement on Staff Flexibility and Office Hours**

The Council continues to monitor the status of the COVID19 pandemic in Harris County, and to adapt operating procedures to ensure the health and safety of our staff and members. At the present time we believe it is prudent to allow flexibility for our staff to work from home as the situation dictates. If you come to the office and find it closed or call the main number (713-784-6620) and do not receive an answer, please use the following:
